**About Me**

Hello! I'm Swastik Verma, a CSE(AI) student who loves programming,gaming and history. I enjoy building clean webpages using HTML & CSS and improving my development skills every day.
I also like studying historical kings, playing strategy games, designing FPS concepts in Unreal Engine, and practicing animation in Maya for 2–3 hours daily.
This portfolio website is part of my learning journey and demonstrates the use of HTML, CSS, float, and flexbox.
